

111 MAIN PARKING & SECURITY

Durham Jones & Pinegar headquarters are located at 111 S. Main Street in downtown Salt Lake City, in the “111 Main” building. The building is on the southeast corner of Main Street and 100 South next to the new Eccles Theater and south of City Creek Center. The firm occupies the top two floors and the main lobby for D|J|P is located on the 24th.

PARKING OPTIONS

1. City Creek underground parking (2-hrs. free).

Driving westbound on 100 South just west of State Street, go down the ramp to the underground parking. Take the East parking elevators to the 1st level of the mall. Walk south past the cheesecake Factory and Brio Tuscan Grill. Cross over 100 South and walk west towards Main Street. The building will be on your left.

2. Regent Street parking structure (preferred for bad weather)

Drive north or south on Regent Street (49 East, located in between Main Street and State Street), turn on to Orpheum Avenue, and drive up the ramp. Take the elevators to the ground level. Cross over Regent Street and enter the covered walkway under the sign “Eccles Theater 111 Main” and enter the double glass doors to the Eccles Theater. Turn right when you get to the theater lobby and go to the Security desk in the 111 Main lobby.

SECURITY

D|J|P shares the building with the U.S. Department of Justice and Goldman Sacks, so we have New York style security. After you enter the building from either the north or west doors, approach the security desk and provide your name and photo ID. D|J|P will notify security of guest arrivals and/or security will call D|J|P reception to confirm. They will take your picture, print off an access pass, escort you through the access gates to the elevators, and escort you to an elevator which will take you to the 24th floor. When you reach the 24th floor, exit the elevator and the lobby will be on your right.
